

Invitation to ITV's Public Exhibition

We invite you to a public exhibition to view the proposals to redevelop our home on the South Bank.

Designed by award-winning Hopkins Architects, the plans create a new global headquarters for ITV, bringing together all of our London-based colleagues under one roof for the very first time.

The proposals also deliver new homes alongside a new publicly accessible square, enhancing the South Bank's vibrant cultural quarter.

The plans will be available to view at a public exhibition on **Friday 9th June** and **Saturday 10th June 2017**. Further details can be found overleaf.

Members of the project team will be present throughout the exhibition to answer your questions about the proposals.

We hope to see you there.
